

# SUNNYLANDS NURSERY SCHOOL

## APRIL NEWS SHEET

THEME: SPRING COLOUR: GREEN

SHAPE: OVAL MATHS: 1:1 Correspondence

Welcome back after Easter!

This month we are learning more about Spring and New Life. We will be learning the names of animals and their young and using mathematical language associated with size. On our growing table we will be observing the life cycle of the frog. We will be talking about what the farmer does and what he grows on the farm and learning the names of equipment used on the farm. Please help us by talking with your child about our topics.
